Who has the latest date? Should we re-do it given the new projected date?

Subject: DOGGR update

Hi Lisa,

David and Mike had a meeting yesterday with Ken Harris the new DOGGR chief. Also present were Jonathan Bishop and Rob Habel.

Among other things Ken noted that the Arroyo Grande AE package will not be submitted for another 2-3 weeks. I wanted to let you know so you could keep Cadmus in the loop as well.

Michele
